- Focus on specialized practical Oriented teaching to develop analytical ability among students.

Principal's Message

Dear Students and Parents,

Warm greetings from Government Degree College, Baroh!

It gives me great pleasure to welcome all students to Government Degree College, Baroh for the academic session 2026–27. Our institution, located in a peaceful rural setting, has always been committed to providing quality education while fostering values of discipline, responsibility, and community engagement among students.

This academic session is particularly significant as we begin the first semester classes under the framework of the National Education Policy (NEP) 2020 for undergraduate programs. The introduction of NEP 2020 marks a progressive shift towards a more flexible, multidisciplinary, and student-centered education system. Under this structure, the undergraduate program is being aligned with a three-year degree pattern, focusing on holistic development, skill enhancement, and conceptual understanding. NEP 2020 provides us with a valuable opportunity to bridge the gap between rural and urban education by introducing innovative teaching-learning practices, skill-based courses, and greater academic flexibility. Students will now have the opportunity to explore different subjects, develop critical thinking, and gain practical knowledge alongside theoretical learning.

At the same time, it is important to note that the 2nd and 3rd year classes in our college will continue under the existing annual examination system. This dual structure ensures a smooth academic transition while maintaining continuity for ongoing batches. Our college has made all necessary academic and administrative arrangements to effectively implement both systems simultaneously. Our faculty members are fully committed to guiding students through this new academic structure. Continuous assessment, interactive teaching methods, and the integration of technology will be key features of our approach. Special emphasis will be laid on developing communication skills, employability, and overall personality development.

In addition to academics, we strongly encourage participation in co-curricular and extracurricular activities such as NSS, cultural events, and sports. These activities play a crucial role in shaping well-rounded individuals and strengthening the bond between the college and the community. As we move forward, our aim is not only to provide education but to empower our students to become responsible citizens and contributors to society. I urge all students to take full advantage of the opportunities provided under NEP 2020, remain focused on their goals, and strive for excellence in every field.

I extend my best wishes to all students for a successful and enriching academic journey.. Wishing you all the best for a bright and successful future. Warm regards,

Dr. Neeraj Kumar Sharma

About the Institution

Erstwhile 'Pandit Anant Ram Sanatan Dharam College' was a privately managed college which was established in July 1995 by a well-known philanthropist Sh. Bali Ram Sharma, in the memory of his father late Sh. Anant Ram Sharma, a resident of nearly Busal village, with the prime objective of providing higher education to the youths of this rural area at their doorsteps.

In the beginning years, the college started functioning with enrolment in Arts stream. The commerce subject was introduced in the year 1996. With the serious efforts of the college administration, classes in science subject i.e. non-medical were added in the year 2000. Subsequently in the year 2014 the Government of Himachal Pradesh took over 'Pandit Anant Ram Sanatan Dharam College Baroh' vide its notification No. EDN/A/kha (1)/15/2014, dated 7th February 2014 and it was renamed as 'Government Degree College Baroh'.

Situated on the holy land of 'Baba Kalinath', Government Degree college Baroh is a co-educational institute located near the most famous 'Radha Krishna' temple which is also known as 'Baba Baroh' temple in Gram Panchayat Danoa, Tehsil Baroh district Kangra of Himachal Pradesh. It is only at a distance of 28 km from Kangra city with its latitude and longitude at 31.69 N and 76.90 W respectively.

At present, Government Degree College Baroh is imparting education in Humanities, Science and Commerce at the undergraduate level. Moreover, all the faculty members are more proficient and attend refresher courses, orientation courses and short-term trainings at regular intervals. The college caters the need of the rural students especially girls who accounts for more than 70 percent of the total strength of the college.

The principal and faculty always encourage the students to vibrantly participate in various activities ranging from environment conservation to cultural participations and social to moral under the aegis of Eco Club, National Service Scheme, Rovers and Rangers and Road Safety Club and Red Ribbon Club etc.

The Career Counselling and Placement Cell (CC&PC) provides platform to the students to get know about the career opportunities during and after their graduation. Internal Quality Assurance Cell (IQAC) has been established in the college for the promotion of the quality of education and infrastructure as per the requirement of UGC and NAAC. The college is thus playing a seminal role in all spheres for the bright future of the students.

SECTION-A

Three-Year U G P First Sem/Year Students for Session 2026-27

Government Degree College Baroh is committed to academic excellence and holistic development of students. In alignment with the National Education Policy (NEP) 2020, the college is introducing a restructured Three-Year Undergraduate Programme (UGP) for first-year students starting from the academic session 2026–27.

CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES

Introduction

The National Education Policy (NEP) 2020 recognises that higher education plays a crucial role in promoting human and societal well-being, and in developing India as envisioned in its Constitution—a democratic, just, socially conscious, and humane nation that upholds liberty, equality, fraternity, and justice for all. The NEP 2020 notes, "given the 21st-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals."

The NEP 2020 states, "Assessments of educational approaches in undergraduate education that integrate the humanities and arts with Science, Technology, Engineering and Mathematics (STEM) have consistently shown positive learning outcomes, including increased creativity and innovation, crucial thinking and higher-order thinking capacities, problem-solving abilities, teamwork, communication skills, more in-depth learning and mastery of curricula across fields, increases in social and moral awareness, etc., besides general engagement and enjoyment of learning."

Further, the NEP 2020 also recommends that "the undergraduate degree will be of either 3- or 4-year duration, with multiple exit options within this period, with appropriate certifications." In accordance with the NEP 2020, the UGC has formulated a new student-centric "**Curriculum and Credit Framework for Undergraduate Programmes (UGC-CCFUGP 2022)**" incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options, which will facilitate students to pursue their career path by choosing the subject/field of their interest. Based on the UGC-CCFUGP notified in December 2022, Himachal Pradesh University, Shimla (HPU) has developed a Curriculum and Credit Framework for Undergraduate Programmes (HPU-CCFUGP, hereafter HPU-UGP), incorporating all essential aspects of the UGC CCFUGP to facilitate the achievement of the policy visions stated in the NEP 2020.

Syllabus and Programme Structure

The curriculum is designed as a student-centric, flexible framework that moves away from rote learning toward conceptual understanding.

Course Components: The syllabus consists of Core Courses (Major and Minor) and Common Courses.

Major Stream: Provides in-depth study in a primary focus area.

Minor Stream: Broadens understanding outside the major.

Students declare their final Major and Minor at the end of the second semester.

Multidisciplinary Courses (MDC): Students must choose subjects different from their Major and Minor.

Ability Enhancement (AEC): Focuses on Language and Communication Skills (English, Hindi, Sanskrit).

Skill Enhancement (SEC): Practical courses designed to enhance employability.

Value-Addition Courses (VAC): Common courses for all students, such as Universal Human Values.

I/A/P/C: Includes Internship, Apprenticeship, Minor Projects, or Community Outreach activities.

Online Courses: Students can earn up to 40% of their total credits through quality-assured online platforms like SWAYAM.

Semester-wise Programme Components

Semesters 1 & 2: Students will choose 3 discipline-specific (one stream) core courses (A, B, and C). Students opting for a Single Core Discipline (Major) have to select a Major and Minor out of the 3 subjects studied in the 1st and 2nd semesters at the end of the 2nd semester. Another discipline's DSC/course studied in the first two semesters will be treated as a minor. Additionally, these students will also take courses of their interest from Multidisciplinary, Ability Enhancement, Skill Enhancement, and Value-Addition categories. Students will also be placed in an internship/apprenticeship/field project, or community engagement and service program, as well as participate in field-based learning / minor projects.

All the major and minor courses for the 1st & 2nd semesters will be 100-level courses.

Additional Seats: An additional 10% of the sanctioned strength may be created to accommodate requests for a change of major. Any unfilled or vacant seats may be filled with those seeking a change of Major. Preference will be given to those with the highest CGPA and no areas of concern in the first year/semester. the 5th & 6th

Semesters 3 & 4: Students will select courses of interest in their major and minor to build a career of interest. Students opting for the stream-based Multidisciplinary/Interdisciplinary UG programme will have to declare one of the three subjects as a Minor in the 3rd semester. The other 02 subjects will remain their Core (Major) subjects.

The major courses of the 3rd & 4th semesters may be 200-level courses, while the level of minor courses may be 200 & above.

Semesters 5 & 6: Students will undertake higher-level courses and related courses during the 5th & 6th semesters to gain in-depth knowledge in the core courses, including DSEs (2 each) in semesters, along with an ability enhancement course.

The major courses for the 5th & 6th semesters may be 300 level, and the level of minor courses may be 200 & above.

Multiple Entry and Exit Options

The framework provides flexibility for students to exit and re-enter their studies:

Exit after 1 Year (2 Semesters): Awarded an Undergraduate Certificate (requires 44 credits).

Exit after 2 Years (4 Semesters): Awarded an Undergraduate Diploma (requires 86 credits).

Exit after 3 Years (6 Semesters): Awarded a Bachelor's Degree (requires 128 credits).

Re-entry: Students who exit have the option to re-enter within three years, provided they complete the full degree within a maximum of seven years

Migration

Students pursuing their 3-year Undergraduate programme through the regular mode (i.e., a student from any college affiliated with H.P. University) can transfer their admission to CDOE at any point during a semester. Such a student, however, shall have to pay the complete Semester fee of the concerned semester as well, irrespective of the duration of the semester gone by. Students pursuing their 3-year Undergraduate programme from CDOE can be migrated or admitted as regular students to colleges against vacant seats at the beginning of the semesters.

Inter-Institution Mobility

The HPU-UGP enables students to engage in inter-institutional mobility, both for incoming and outgoing students. For this, HPU will take into account the credits that the student has in their ABC.

For an incoming student, the following should be observed:

- a. The entry is subject to the availability of seats in the concerned discipline.
- b. The student must fulfil all the academic prerequisites of the relevant discipline.
- c. HPU will award a degree to a student only when the student has completed at least 60% of the credits for core courses offered by HPU.

Credit Requirements

The minimum credit requirements of each category of courses for 3-Year Bachelor's Programmes are given in Table

Minimum Credit Requirements to Award Degree under Each Category as per UGC

Sr. No.		Category of Courses	Minimum Credit Requirements 3-Year UG
1		Major (Core)	60
2		Minor Stream	24
3		Multidisciplinary	09
4		Ability Enhancement Courses (AEC)	08
5		Skill Enhancement Courses (SEC)	09
6		Value Added Courses common for all UG	06-08
7		Internship/Apprenticeship/Field Project	02-04
		Total	120

Duration for Award of UG Certificate, UG Diploma and Degree

The UG Programmes will be of 3 year duration with appropriate certifications and exits, such as:

1. UG Certificate after completing 1 year (2 semesters) of study in the chosen fields of study with 44 credits, including four credits in I/A/P/C/ or work-based vocational course(s) offered during winter/or summer term.
2. UG Diploma after 2 years (4 semesters) of study with 86 credits.
3. 3-Year Bachelor's Degree after successful completion of three years (6 semesters) with 128 credits.

Important: At the initial stage of implementation of NEP 2020, students shall have the following Degree Options:

A. The 3-year UG Programme shall have two degree options:

- i. Multidisciplinary/Interdisciplinary
- ii. Single Core Discipline (Major)

- The students shall declare their Major and Minor, finally, at the end of the second semester.
-
- In both cases, the requirements of core and common courses remain the same.

The Choice Based Credit System (CBCS)

This system is a transformation of earlier system which not only introduces innovations but also develops the learner-centric approach. This system allows flexibility in education system so that students depending upon their interests can choose inter-disciplinary, intra-disciplinary and skill based courses. This system not only offers opportunities and avenues to learn core subjects but also explore additional avenues of learning beyond the core subjects for holistic development of student.

The student in this system has considerable freedom in choosing courses and so making his/her own personalized programme/bouquet in cafeteria mode keeping in mind necessary requirements of a course. Except for the compulsory and core courses of the subject of his/her major, he/she is free to choose courses of his/her choice. The programme is considered completed when the student cumulates the requisite number of successful credits (passed).

Programmes of Study

(I) B.A. (Humanities) Combinations available in humanities are given on next page.

- Language Group : English, Hindi, Sanskrit
- Social Science Group: Economics, Political Science, History, Sociology, Mathematics, Music (Instrumental)

(II) B.Sc. (Non Medical)

Physics, Chemistry, Mathematics.

(III) B.Com. (Commerce)

- Courses prescribed for B.Com. Degree by H.P. University

Choosing Courses of Study

1. At the time of admission student will identify/select a discipline/programme of study of his/her choice out of the above mentioned disciplines/programmes of study. The main discipline/programme of study will be one in which he/she will concentrate and will study specified no. of courses according to type of degree allowed as per rules of HPU Shimla.

2. Besides, the student will also select one/two assisting disciplines based on the subject / combination availability in college and in consultation with admission committee. The student will have to study these subjects as allied disciplines.

Guidelines and Conditions for Obtaining Degree (Annual System)

- A candidate has to earn 132 credits for pass course degree in B.A./B.Sc./B.Com. programme. An undergraduate degree in Humanities/Social Sciences/Commerce disciplines may be awarded if a student completes 4 Core papers each in two disciplines of choice, 2 Core papers each in English and MIL respectively, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective based on 2 disciplines of choice selected above, respectively and 2 papers from the list of Generic Elective papers.
- An undergraduate degree in Science discipline may be awarded if a student completes 4 (DSC) Core papers each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 Discipline Specific Elective (DSE) courses each in three discipline of choice.
- Every student shall be required to undergo a regular course of study i.e., attendance in lectures, tutorials, seminars, practical etc., in order to be eligible to appear for University examination. A candidate should attain 75% attendance in each of the concerned courses in Theory and Practical, separately.
- Internal Assessment/Continuous Comprehensive Assessment (CCA) and Annual Examination will be as per HPU guidelines.
- In Annual System the minimum qualifying marks is 40% in aggregate. However, to score 35% marks in each CCA and Final Examination (separately) will be compulsory. For practicals, 40% passing marks will be mandatory. A candidate failing either in one or two subjects/papers in annual examination will be placed under compartment in those subjects/papers. Such students will have only two chances, one at supplementary stage and another at the annual stage, to clear the compartment.
- A candidate failing in three or more subjects/papers will be treated as FAIL, in that year and will have to repeat the entire year.
- The results will be declared as per grading system and the students will have to complete the degree within 5 years.

Note: The above guidelines/conditions may vary as per the latest notification by the H.P. University.

General Instructions for Annual System/ Semester System

Evaluation System

As per H.P. University guidelines, the marks scheme for all undergraduate courses in annual system/Semester system for B.A./B.Com programme will be in the ratio of 70:30 i.e., 70 marks for theory and 30 marks for Continuous Comprehensive Assessment (CCA)/Internal Assessment (IA). For all the courses of B.Sc. programme, the ratio will be 50:20:30 i.e., 50 marks for theory, 20 marks for practical and 30 marks for CCA/IA respectively.

The 30% marks of CCA will be determined by the concerned teacher on the basis of the following components:

- 1 Mid-Term Test-10 marks
2. Class Test-5 marks
3. Assignments/Seminars 10 marks
4. Class Room Attendance-5 marks

Class room attendance will be defined as follows:

- > 75% but < 80% = 1 mark.
- > 80% but < 85% = 2 marks
- > 85% but < 90% = 3 marks
- > 90% but < 95% = 4 marks
- > 95% = 5 marks

Note: Class tests will be conducted by the teacher on the completion of 40% of the syllabus and Mid- Term Test on the completion of 75% of the syllabus.

MID-TERM TESTS

- One Mid-Term Test in each course will be conducted in the academic year/Semester.
- It is mandatory for every student to appear in the Mid-Term Test and the marks obtained shall contribute to the total CCA of 30%.
- As per University guidelines, the students who do not get 35% marks in CCA and fail to have minimum 75% class room attendance will not be allowed to appear in annual/Semester examination.

GRADING SYSTEM

HP University follows 10 points grading system. The candidate after successful completion of specified programme of study is awarded grades/grade points based on his/her performance as follow.
